Dear local business,

We have all had personal or secondhand experience with a loved one's need for medical and/or hospice care. For over 81 years, Franklin VNA and Hospice has been a premier choice for families who need this care. One recent comment we received stated, "Franklin VNA & Hospice plays a vital role when it comes to individuals' healthcare needs. FVNA is affordable, convenient, personable, and an essential service to our ageing population. Thank you for the fantastic service that I received."

Franklin VNA & Hospice is a small, independent, non-profit Home Health and Hospice agency located in Franklin, NH. We provide end-of-life care to patients and their families in their home or in a facility they call "home." Our service area has now grown to over fourteen cities and towns in Belknap and Merrimack Counties. Our dedicated staff is committed to giving patients and their families compassionate support for all their needs.

One of our greatest compliments about our agency is that we provide all our medical services to everyone based on what their needs are not on what they can afford. Our patients are NEVER billed for our services beyond what is covered by their insurance.

The rising costs of medications, durable medical equipment (DME) and other vital medical necessities are an avoidable burden many families may encounter. This is where your proceeds and donations make all the difference. By making a donation, you are not only supporting our ability to continue this care we are providing families, but you will be bestowing families with much needed essential treatment they need in challenging times.

We are seeking donation items for silent and live auctions at our Fifth Annual Hospice Ball on Saturday, November 7, 2026, at 5:00 pm. This event will be held at the renowned Newfound Lake Inn in Bristol, NH. This event is our largest annual fundraiser and specifically benefits our hospice program. This event brings together community members from all over for an evening of dinner, dancing, and most importantly fundraising. Last year's Hospice Ball was a success due to generous people like yourself, who donated, sponsored, and attended the event. Please join us in making this year even more successful!

Every donation, regardless of size, makes a significant difference. Each donor is mentioned by name, giving you public recognition at the event, and featured in a post on our Facebook page. All donations are tax-deductible. Our 501(c)(3) number is 02-0228247.

If you would like more information about our organization or event, please feel free to contact me. Donations can be mailed to:

Franklin VNA & Hospice
